#### INTERNATIONAL STUDENTS

#### These fee tables summarize the fees for students admitted to the Toronto School of Theology.

# Different Types of Fees

- a. Program: Fees are assessed as a flat rate amount; there may be a full-time and/or part-time rate.
- b. Course: Fees are assessed on a course by course basis. When a course is added, the course fee is charged immediately regardless, of when the course begins. When a course is canceled, the course fee is reversed in accordance with the Refund Schedule applicable to the student's program.
- c. Minimum Charge: A minimum charge of \$249.00 will be charged to students who cancel their registration in the Fall-Winter session on or after the published date for the first day of classes in accordance with the Refund Schedule applicable to the student's program.
- 2. Incidental: Compulsory fees for campus and student services (societies).
- 3. System Access: Fee for access to the Student Web Service (SWS/ROSI) currently \$50.00.
- Ancillary: Fees relating to enrolment in a specific course or program or for individual circumstances.
   University Health Insurance Plan (UHIP): UHIP is compulsory for all international students as well as recent the program of the individual circumstance.
  - permanent residents and returning Canadian citizens who are in their 3 month OHIP waiting period. International students who have been exempted from UHIP must request this exemption **every** year at the UHIP office.

#### New starting 2013-2014

The provincial government has announced that in 2013-2014 it will be reducing its operating grants to each Ontario university by an amount equal to \$750 for each entering international student (excluding doctoral stream students) plus another \$75 per international student (excluding doctoral stream students). These amounts are called International Student Recovery deductions. TST member colleges will be charging its international students (except doctoral stream) higher tuition fees to offset these deductions. The TST regrets the additional financial burdent this change imposes on our international students.

For academic purposes, the Toronto School of Theology operates on a trimester system:

- Fall semester (September to December)
   Winter semester (January to April)
- 3. Summer semester (May to August)

#### However, student fees are invoiced for two sessions, namely:

1. Fall-Winter session: The Fall/Winter session invoice summarizes both the Fall (September to December) semester & Winter (January to Apr semester fees: and

Summer session: The Summer session invoice summarizes the Summer semester fees.

Students must pay fees according to the above two sessions. For example, fees billed for the Winter semester are due and payable at the same time as the fees billed for the Fall semester.

All fees and charges posted to the SWS/ROSI account are payable when billed. Students are responsible for planning sufficient time for payments to reach the University's bank account and to be recorded in the student's SWS/ROSI account by the payment due date. The transfer of funds from major Canadian financial institutions normally takes three to five business days, however the transfer from Canadian credit unions and financial institutions outside Canada can take much longer.

Paper invoices are not routinely mailed. Students are expected to monitor their account on the Student Web Service (ROSI) at:

# www.rosi.utoronto.ca

Non-receipt of an invoice does not exempt the student from meeting his/her financial obligations.

#### Service Charges

If not paid in full at the time the invoice is produced on SWS/ROSI , any outstanding account balance is subject to a monthly service charge of 1.5% compounded (19.56% per annum). More information is <u>Student Accounts website</u>
