Minimum Payment to Register

The minimum required payment to register deadline for the Fall-Winter session for your division (Fall term tuition fees and unpaid prior session fees) is before Fall term OSAP funding is released, however OSAP students may be allowed to register without payment if certain conditions are met.

You may apply for an online OSAP deferral (register without payment) on ACORN to change your registration status from Invited to Registered without payment if:

- 1) you applied for OSAP for the Fall-Winter session and submitted required application documentation by June 30th, and
- 2) you have received a Notice of Assessment > \$1.00, and
- 3) you have paid for prior session fees, and
- 4) your OSAP funding is approved before your division's minimum required payment to register deadline.

To register without payment on the basis of an external organization or agency that will pay for some or all of your tuition and other fees on your ACORN invoice, you should mail, fax or bring a copy of the annual letter you receive from the external organization or agency stating they will pay your fees along with your ACORN invoice to [Student Accounts](#). A sponsorship deferral must be processed for every session in which you wish to register. The deferral does not carry over from one session to the next.

- Student Accounts will match your ACORN invoice with the authorization letter to determine your eligibility for a sponsorship financial arrangement.
- If eligible, Student Accounts will record a sponsorship financial arrangement on your ACORN account. If the documentation is submitted to Student Accounts at least fifteen business days prior to the start of Fall classes, the Sponsorship deferral will block OSAP funding from being directed to the University of Toronto to pay for your tuition and other fees.
- Student Accounts will invoice sponsors for Fall-Winter session in October and in exceptional cases, will invoice sponsors for Winter term in February.

The ACORN Finances dashboard will display a Deferred payment for student loan (OSAP) financial arrangement for the session if you have successfully applied for an OSAP deferral and Payable by a sponsor financial arrangement for a Sponsorship deferral.

Finances	
Outstanding Balance (Debit Account Balance)	\$8,439.28
Financial Arrangements	
Fall-Winter 2018-2019	Payable by a sponsor
Fall-Winter 2018-2019	Deferred payment for student loan (OSAP)

If you are unable to get an OSAP or Sponsorship deferral (to register without payment) then you must make the minimum required payment (Fall term fees and unpaid prior session fees displayed on your ACORN invoice before your division's minimum required payment to register deadline in order to change your registration status from Invited to Registered). If you do not make the minimum required payment displayed on your ACORN invoice, your Fall Winter registration will be financially cancelled, and your course enrolments will be cancelled. Fee payment instructions can be viewed on [Making a Fee Payment](#).

Pay Fall Term Fees with OSAP Funds and Sponsorship Funding

- Submit all of the required OSAP documentation to Enrolment Services by mid-July, or at least 4-6 weeks before the start of classes
- Submit your Master Student Financial Aid Agreement (MSFAA) to the National Student Loan Centre (first-time OSAP applicants only)

Starting approximately ten business days before the start of Fall term classes, Enrolment Services will begin to electronically confirm Fall enrolment.

In order for your enrolment to be confirmed:

- a) your Fall-Winter registration status on ACORN must be Registered; and,
 - b) the program, course load and study level information on your OSAP application matches the information on your University of Toronto student record, or you are enrolled in a full-time Fall term course load (according to OSAP definition).
- 1) If you have a Sponsorship deferral recorded on your ACORN account (when your enrolment is confirmed to OSAP) or your OSAP assessment is less than \$100, your OSAP funding will NOT be directed to the University of Toronto to pay for some or all of outstanding tuition and other fees.
 - 2) **Starting in 2018-19:** As per Government of Ontario requirements affecting all OSAP recipients, if you do NOT have a Sponsorship deferral recorded on your ACORN account, your Fall term OSAP funding will be redirected from OSAP to your ACORN account at the University of Toronto to pay your Fall term fees (with the exception of admissions and residence deposits).

If your OSAP funding is *greater* than the fees you owe, OSAP will deposit your remaining Fall term funding into your bank account. If the combination of your redirected OSAP funding and Fall sponsor payment amount is *less* than the fees you owe, you must pay the outstanding fees by the Fall term payment deadline of April 30th.

You can view the Fall term OSAP funding to be redirected to your ACORN account on the OSAP website, and the on the new ACORN Net Cost View Statement.

Prior to Fall term OSAP confirmation of enrolment:

The ACORN Net Cost View will display the Fall term "Anticipated OSAP" amount which is the estimated OSAP amount needed to pay for your Fall term tuition and non-tuition fees. If you have made a Fall term tuition payment, then the Fall term OSAP funding amount to be directed to your ACORN account will be reduced by the payment amount.

Example:

Fall Tuition & Fees totaled \$9,152.18 and the Anticipated amount of OSAP to be redirected to your ACORN account is \$5,062.50 (not including any fee payments that you have made).

The screenshot displays the 'ACORN' system interface for 'Invoice & Net Cost'. The left sidebar contains navigation options under 'ACADEMICS' (Enrol & Manage, Timetable & Exams, Planning Tools, Academic History, Transcript & Enrolment Confirmation, Graduation & Convocation, Portal) and '\$ FINANCES' (Financial Account, Invoice & Net Cost, Payment History, Account Details, Make a Payment, Awards & Aid, Grant Application, Tuition Fee Deferral). The main content area features a 'Net Cost' tab and a 'Print Net Cost' button. The 'What is My Net Cost?' section explains that the net cost is the anticipated sum of tuition and fees after OSAP is applied. It lists three points: the net cost is an estimate, it excludes awards/aid, and users should contact help for more info. The '2017-2018 Fall/Winter Net Cost' summary shows Tuition & Fees at \$18,249.36, Anticipated OSAP at \$11,205.00, and Received OSAP at \$0.00, resulting in a Net Cost of \$7,044.36. The '2017 Fall Net Cost' summary shows Tuition & Fees at \$9,152.18, Anticipated OSAP at \$5,602.50, and Received OSAP at \$0.00, resulting in a Net Cost of \$3,549.68. The '2018 Winter Net Cost' summary shows Tuition & Fees at \$9,097.18, Anticipated OSAP at \$5,602.50, and Received OSAP at \$0.00, resulting in a Net Cost of \$3,494.68. The last update date is 2017-12-30.
