

**UNIVERSITY OF TORONTO FACULTY OF ARTS AND SCIENCE (FAS)
2015 - 2016 FALL - WINTER SESSION – REFUND SCHEDULES**

To determine your fee adjustments or reversals, review the applicable circumstances in each of the following four categories:

Category 1A: Academic Fees – Program Fees (Fees charged as a single rate) according to FAS Fee Table 5A: Bachelor of Arts or Bachelor of Science or First Year Admission Streams – Commerce, Computer Science, Humanities, Life Sciences, Mathematical and Physical Sciences, and Social Sciences

The Faculty of Arts & Science Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a full-time course load (3.5-6.0 credits), students under the Program Fee may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.

If you cancel your registration for the session, Program fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ROSI. **Cancellation of registration only occurs when all courses are cancelled. If any courses with a final standing remain on the record for the academic session– a final mark, CR/NCR, P/FL– a student will not be eligible to cancel the registration for that session.**

Program Charge Reversed		Recorded Date of Cancelled Registration on ROSI		<p>Note 1: Program fees will be reversed and a minimum charge of \$256.00 will be charged to students who cancel their registration in this session in a program (degree or non-degree program) on or after the published date for the first day of classes for the Fall-Winter Session.</p> <p>Note 2: Immediately after the last day to add F and Y courses, your F and Y course enrolments for the year will be counted and "frozen" for the purposes of the Program Fee. Your S course enrolments and S course Wait List places will be added to this course load.</p> <p>A) If this totals 3.5-6.0 credits, you will be charged the Program Fee. <i>Exception: Students with 3.5 or more credits but who have 3.0 or fewer F courses with final standing (ie. A grade, CR/NCR, P/FL) AND no Y or S courses as of the 50% refund period date in January will be eligible to have their fees assessed on a per course basis. See A&S Registration Instructions for details.</i></p> <p>B) If this totals 3.0 or fewer, you will be moved from Program fee to Per-Course fee billing. Program fees will be reversed and courses fees will be charged for each course and refunded according to Refund Category 1D.</p> <p>Note 3: After the last date to add S courses, your final S course enrolments will be counted and added to your F + Y course enrolments "frozen" (See Note 2).</p> <p>A) If the total is 3.5 or more, you will be charged the Program fee. <i>See Exception above in Note 2A.</i></p> <p>B) If this totals 3.0 or fewer, you will be moved from Program fee to Per-Course fee billing.
