

Domestic Students

These fee tables summarize the fees for students admitted to the University of Toronto Scarborough (UTSC) including those who transferred from either the Faculty of Arts & Science (FAS) or University of Toronto Mississauga (UTM).

Different Types of Fees

1. **Academic Fees**

- a. **Program:** Fees are assessed as a **flat rate** amount; there may be a full-time and/or part-time rate.
- b. **Course:** Fees are assessed on a course by course basis. When a course is added, the course fee is charged immediately regardless, of when the course begins. When a course is canceled, the course fee is reversed in accordance with the Refund Schedule applicable to the student's program.

Note: A minimum charge of **\$256.00** will be charged to students who cancel their registration in this semester in a program (degree or non-degree program) on or after the published date for the first day of classes for this semester.

- 2. **Incidental:** Compulsory fees for campus and student services (societies).
- 3. **System Access:** Fee for access to the Student Web Service (SWS/ROSI) - currently \$50.00.
- 4. **Ancillary:** Fees relating to enrolment in a specific course or program or for individual circumstances.
- 5. **University Health Insurance Plan (UHIP):** UHIP is compulsory for all international students as well as recent permanent residents and returning Canadian citizens who are in their 3 month OHIP waiting period. International students who have been exempted from UHIP must request this exemption **every** year at the UHIP office.

Fees Invoice and Payment

For academic purposes, University of Toronto Scarborough operates on a trimester system:

- 1. Fall semester (September to December)
- 2. Winter semester (January to April)
- 3. Summer semester (May to August)

However, student fees are invoiced for two sessions, namely:

- 1. **Fall-Winter session:** The Fall-Winter session invoice summarizes both the Fall (September to December) semester & Winter (January to April) semester fees; and
- 2. **Summer session:** The Summer session invoice summarizes the Summer semester fees.

New! In December 2013, the Ministry of Training, Colleges and Universities issued new fee billing directives to universities. Effective 2015 Fall - 2016 Winter session, students will have the option to pay fees on a sessional basis (both Fall and Winter) or by semester (Fall or Winter term per the new fee payment and and monthly service charge schedules that can be viewed at www.fees.utoronto.ca).

All fees and charges posted to the SWS/ROSI account are payable when billed. Students are responsible for planning sufficient time for payments to reach the University's bank account and to be recorded in the student's SWS/ROSI account by the payment due date. The transfer of funds from major Canadian financial institutions normally takes three to five business days, however the transfer from Canadian credit unions and financial institutions from outside Canada can take much longer.

Paper invoices are not routinely mailed. Students are expected to monitor their account on the Student Web Service (ROSI) at: . www.rosi.utoronto.ca
Non-receipt of an invoice does not exempt the student from meeting his/her financial obligations.

Service Charges

If not paid in full at the time the invoice is produced on SWS/ROSI , any outstanding account balance is subject to a monthly service charge of 1.5% compounded (19.56% per annum). More information is available at: Student Accounts website
