Table 2A - Notes

- 1) Normal entry point for these programs is the semester after you have earned 4.0 credits or more; this includes transfer credits.
- 2) If you entered these programs in Year 3 or 4, this is a late entry point and will result in Program Fees retroactively charged for all courses completed during the second year of study onwards.
- 3) No matter how many courses you intend to enrol in eventually, all students will INITIALLY be charged a Program Fee.
- 4) Students who are enrolled in a course load of 2.0 or more credits in each semester will be charged a Program Fee. For fee calculation purposes, the Fall semester course load is determined with the following formula:
F+Y courses as of September 17.
The Winter semester course load is determined with the following formula:
Y courses (as of September 17) and S courses as of January 20.
4. a) The F course load count determined on September 17 will be fixed for the Fall semester even if F courses are cancelled after September 17.
4. b) The Y course load determined on September 17 will be fixed for the Fall and Winter semesters even if Y courses are cancelled after September 17.
4. c) The S course load count determined on January 20 will be fixed for the Winter semester even if S courses are cancelled after January 20.
