--	-------------------

The Faculty of Arts & Science Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a Program Fee course load (4.0-6.0 FCEs), students may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.

If you cancel your registration for the session, Program Fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. Cancellation of registration only occurs when all courses are cancelled. If any courses remain on your record for the academic session— a final mark, CR/NCR, P/FL, or LWD – you will not be able to cancel the registration for that session and are not eligible for any refund of the Program Fee. **The only exception occurs if you finish (with a grade, CR/NCR, P/F, or LWD) 3.5 FCEs or fewer in the Fall Term and cancel all of your Y and S section courses on or before the 50% refund deadline in January – see Note 2: *Exception* for more information.**

IMPORTANT NOTES

Note 1	A minimum charge of \$333.00 (which includes a \$55.00 system access fee) will be charged to students who cancel their registration in a program (degree or non-degree program) on or after the published date for the first day of classes.	
Note 2	Immediately after the 100% refund period in September (the last day to add F and Y courses) your F and Y course enrolments for the year will be counted and 'frozen' for the purposes of the Program Fee. Your S course enrolments and S course waitlists will be added to this course load to determine your <i>course load count</i> for tuition assessment purposes.	<p>If your <i>course load count</i> totals 4.0 – 6.0 FCEs:</p> <p>You will continue to be charged the Program Fee.</p> <p><i>Exceptions:</i></p> <p><i>Students whose course load count is frozen at 4.0 or more credits but who have a final standing in 3.5 FCEs or fewer in the Fall Term (with a grade, CR/NCR, P/FL, or LWD) AND who have no Y or S courses as of the 50% deadline in January will be eligible to have their fees re-assessed to Course Fees.</i></p> <p><i>Students who LWD (late withdraw) from ALL F courses AND who have no S/Y courses as of the 50% refund deadline in January will receive a refund equivalent to 50% of the Program Fee (2.5 FCEs in course fees). However, there will be no changes made to incidental fees (i.e. students in this situation are not eligible for a change from full-time incidental fees to part-time incidental fees.)</i></p>
		<p>If your course load count totals 0.5 – 3.5 FCEs:</p> <p>You may request to be moved from Program Fee to Course Fees at your College Registrar's Office. The Program Fee will be reversed and Course Fees will be charged for each course and refunded according to Refund Category 3</p>
Note 3	After the 50% Program Fee refund deadline (the last day to add S courses), your final S course enrolments will be counted and added to your 'frozen' F + Y course enrolments to determine your final course load count.	If your final course load count totals 4.0 FCEs , you will be charged the Program Fee (unless you meet the criteria above in Note 2 Exceptions)
		If your final course load count totals 0.5 – 3.5 FCEs , you will be moved from Program Fee to Course Fee billing. The Program Fee will be reversed and course fees will be charged for each course and refunded according to Refund Category 3. Any service charges applied to the Program Fee will not be reversed.
Note 4	The last date to cancel a course or registration with no academic penalty is not the same as the last date to be eligible for a refund.	

Note 5	This refund schedule applies to courses offered in the Faculty of Arts & Science

Program Fee Rotman Commerce Specialist – Year 2 or Higher Concurrent Teacher Education Program (CTEP) - Full-time Only	Category 2

The Faculty of Arts & Science Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a full-time course load (3.0-6.0 FCEs), students under the Program Fee may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.

If you cancel your registration for the session, Program Fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. Cancellation of registration only occurs when all courses are cancelled. If any courses remain on your record for the academic session– a final mark, CR/NCR, P/FL, or LWD– you will not be able to cancel the registration for that session and are not eligible for any refund of the Program Fee. **If you contact the Rotman Commerce Program Office and drop to Part-Time status (0.5-2.5 FCEs) by the 50% Program Fee refund deadline in January – you will be refunded 50% of the Program Fee and charged 50% of Course Fees, according to your Part-Time credit weight for the Fall/Winter Session ([Note 2](#)).**

Please note that if you are Part-Time as of the 100% refund schedule and you cancel courses after the last date to add F + Y courses in September, the cancelled course(s) is/are still included in your overall course load count. ACORN will allow you to enrol in up to 2.5 courses. Therefore, if you subsequently add S courses that will bring your overall course load to 3.0 credits or more, your fee status will be changed back to the Program Fee even though you are technically enrolled in 2.5 or less. **It is very important that you consult the Rotman Commerce Program Office before you make such changes as the change will result in a significant increase in your tuition fees payable for the year.**
