

## SUMMER 2011 MINIMUM PAYMENT TO REGISTER DEADLINES

Please pay the Minimum Payment to Register amount on your SWS/ROSI invoice at your financial institution by your payment deadline date for your division. Residence payment deadlines are listed on your residence occupancy agreement. Registration offices normally allow a processing time of up to 10 days from bank payment date, for bank payments to be received by the University and recorded in your SWS/ROSI Financial Account.

If your payment for registration is made at your financial institution after the deadline date, you must take proof of payment to your Registrar's Office (undergraduate) or SGS-Student Services (graduate students) to register. Failure to make payment at your financial institution by the deadline date may result in the cancellation of your course enrolments and registration.
