<p>The University of Toronto Mississauga Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a full-time course load (3.0-6.0 credits), students under the Program Fee may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.</p>		
<p>If you cancel your registration for the session, Program fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. <b>Cancellation of registration only occurs when all courses are cancelled. If any courses with a final standing remain on the record for the academic session– a final mark, CR/NCR, P/FL– a student will not be eligible to cancel the registration for that session, and thus will not be eligible to have the program fee charges reduced.</b></p>
