

**UNIVERSITY OF TORONTO MISSISSAUGA
2023 – 2024 FALL - WINTER SESSION
SUBJECT POST CANCELLATION SCHEDULE**

Were you accepted into a U of T Mississauga Subject POST during 2023 Fall – 2024 Winter session?

Deregulated tuition fees are billed for U of T Mississauga Subject POSTs:

- Bioinformatics,
- All Commerce Programs,
- Communication Culture & Information Technology (CCIT),
- Computer Science Specialist and Major (not Minor),
- Digital Enterprise Management, Human Resource Management and Industrial Relations,
- Information Security, Interactive Digital Media, Management,
- Visual Culture and Communication Specialist.

The tuition rate for deregulated programs is higher. Students are assessed fees once for each degree program registration. If a student is enrolled in more than one Subject POST, the student will be assessed the highest fees applicable to those Subject POSTs. Students are charged Subject POST fees as soon as they accept enrolment in one of the designated Subject POSTs.

How are deregulated tuition fees billed at the program entry point?

- The normal entry point for these programs is the session following the session where the 4th credit is earned. Students will be billed deregulated tuition fees starting in the session following the session where the 4th credit is earned.
- Students entering the program at a later point will be charged Subject POST fees retroactively to the session designated as the normal entry point for the program.
- Students entering the program with transfer credit will be charged the program fee immediately if transfer credits of 4 or greater are granted.
