

2023-2024 FALL-WINTER SESSION REFUND SCHEDULES FACULTY OF ARTS AND SCIENCE (St. George Campus)

All Arts & Science students are expected to familiarize themselves with how their [tuition is assessed](#), [fee payment deadlines](#), [academic drop dates](#) and refund policies and deadlines. Being unaware of an academic, payment or refund deadline is not a typical reason to request an exception or extension.

You can view your invoice on [ACORN](#) to see if you are currently being billed the program fee or per-course fees. To understand the difference between program fee and per-course fees, please review the Faculty's [Fee and Refund webpage](#) under "Fees Calculation and Assessment." Students who have questions about tuition fee assessments and/or payment or refund deadlines should consult with their [College Registrar's Office](#).

Please click on the category that applies to you to view your refund schedule.

The Faculty of Arts & Science Program Fee assesses a single fee for Fall-Winter full-time studies. Within the envelope of a Program Fee course load (4.0-6.0 Credits), students may add and cancel courses without generating either further charges or refunds for individual enrolment transactions. If you are appropriately assessed a Program Fee, a refund is generated only by completely withdrawing from studies by the deadlines, as explained below.

If you cancel your registration for the session, Program Fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. Cancellation of registration only occurs when all courses are cancelled. If any courses remain on your record for the academic session– a final mark, CR/NCR, P/FL, or LWD – you will not be able to cancel the registration for that session and are not eligible for any refund of the Program Fee. **The only exception occurs if you finish (with a grade, CR/NCR, P/F, or LWD) 3.5 Credits or fewer in the Fall Term and cancel all of your Y and S section courses on or before the 50% refund deadline in January – see [Note 2: Exception](#) for more information.**

Deadline to CANCEL Registration on ACORN	Program Fee Reversed
September 6	100% minus \$58 System Access Fee
September 7 – September 20 [Note 2]	100% minus \$378 minimum charge [Note 1]
September 21 - January 21 [Note 3]	50%
January 22 or after	No Refund Exception [Note 2]

Last day to cancel courses from academic record [Note 4]	Courses with Section Code F	Courses with Section Code Y	Courses with Section Code S
Refer to the 2023-24 Academic Dates and Deadlines			

IMPORTANT NOTES

Note 1	A minimum charge of \$378.00 (which includes a \$58.00 system access fee) will be charged to students who cancel their registration in a program (degree or non-degree program) on or after the published date for the first day of classes.	
Note 2	Immediately after the 100% refund period in September (the last day to add F and Y courses) your F and Y course enrolments for the year will be counted and 'frozen' for the purposes of the Program Fee. Your S course enrolments and S course waitlists will be added to this course load to determine your <i>course load count</i> for tuition assessment purposes.	<p>If your course load count totals 4.0 – 6.0 Credits:</p> <p>You will continue to be charged the Program Fee.</p> <p><i>Exceptions:</i></p> <p><i>Students whose course load count is frozen at 4.0 or more credits but who have a final standing in 3.5 Credits or fewer in the Fall Term (with a grade, CR/NCR, P/FL, or LWD) AND who have no Y or S courses as of the 50% refund deadline in January will be eligible to have their fees re-assessed to Course Fees.</i></p> <p><i>Students who LWD (late withdraw) from ALL F courses AND who have no S/Y courses as of the 50% refund deadline in January will receive a refund equivalent to 50% of the Program Fee (2.5 Credits in course fees). However, there will be no changes made to incidental fees (i.e. students in this situation are not eligible for a change from full-time incidental fees to part-time incidental fees.)</i></p> <p>If your course load count totals 0.5 – 3.5 Credits:</p> <p>You may request to be moved from Program Fee to Course Fees. The Program Fee will be reversed and Course Fees will be charged for each course and refunded according to Refund Category 3. Any service charges applied to the Program Fee will not be reversed.</p>
Note 3	After the 50% Program Fee refund deadline (the last day to add S courses), your final S course enrolments will be counted and added to your 'frozen' F + Y course enrolments to determine your final course load count.	<p>If your final course load count totals 4.0 Credits, you will be charged the Program Fee (unless you meet the criteria above in Note 2 Exceptions)</p> <p>If your final course load count totals 0.5 – 3.5 Credits, you will be moved from Program Fee to Course Fee billing. The Program Fee will be reversed and course fees will be charged for each course and refunded according to Refund Category 3. Any service charges applied to the Program Fee will not be reversed.</p>
Note 4	The last date to cancel a course or registration with no academic penalty is not the same as the last date to be eligible for a refund.
