

**UNIVERSITY OF TORONTO - SCHOOL OF GRADUATE STUDIES**  
**Masters of Environmental Science Program (summer start)**  
**2024 SUMMER SESSION – STUDENT ACCOUNT INFORMATION**

To determine your fee adjustments or reversals, review the applicable circumstances in each of the following four categories:

If you cancel your registration for the session, Program fees are reversed in accordance with this schedule, using the registration cancellation date recorded on ACORN. **Cancellation of registration only occurs when all courses are cancelled. If any courses with a final standing remain on the record for the academic session– a final mark, CR/NCR, LWD, or WDR – a student will not be eligible to cancel the registration for that session, and thus will not be eligible to have the program fee charges reduced.**

**\*Note:** Program fees will be reversed and a minimum charge of \$329.00 will be charged to students who cancel their registration in this session in a program (degree or non-degree program) on or after the published date for the first day of classes for the Summer Session.

The last date to cancel a course or registration with no academic penalty is not the same as the last date to be eligible for a refund
