

There are two (2) types of fees in the Faculty of Arts & Science:

<b>Program Fee</b>	A flat fee for studies in the Fall-Winter Session. All students are initially charged a Program Fee, regardless of course load.
<b>Course Fees</b>	Fees assessed on a course by course basis. When a course is added, the course fee is charged immediately, regardless of when the course begins. When a course is canceled, the course fee is reversed in accordance with the relevant refund schedule.

Detailed information about the difference between program fee and course fees can be found in the Faculty of Arts & Science [Fees & Refund page](#) under “Fees Calculation and Assessment.” You can also contact your [College Registrar’s Office](#) for assistance.
